CHOIR

Around the World with the Choir!
in aid of The Leprosy Mission
This has been postponed due to building works.

Have you noticed how time appears to be going quicker? Or is it just me?
Easter is almost upon us with all the special things that we remember during that time, yet it seems not long ago that we were celebrating Easter from last year.

So I have a question for you, have you booked your summer holidays yet? If not then maybe you ought to since things have a way of passing you by!

The weather seems to be getting warmer, days getting longer, gardening to do, more time to play with your friends, children/grandchildren, and then you have to take time to think about life once in a while.

I wonder if you take time to think about your future, what will I be doing next year, next month, next week, tomorrow, this afternoon?

Let me remind you of what Jesus said about worrying about the future and things.

²⁵“Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more important than food, and the body more important than clothes? ²⁶Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? ²⁷Who of you by worrying can add a single hour to his life?”

COMMUNION

Third Sunday of each month – Morning Service

²⁸“*And why do you worry about clothes? See how the lilies of the field grow. They do not labour or spin.²⁹ Yet I tell you that not even Solomon in all his splendour was dressed like one of these.*³⁰ *If that is how God clothes the grass of the field, which is here today and tomorrow is thrown into the fire, will he not much more clothe you, O you of little faith?*³¹ *So do not worry, saying, ‘What shall we eat?’ or ‘What shall we drink?’ or ‘What shall we wear?’*³² *For the pagans run after all these things, and your heavenly Father knows that you need them.*³³ *But seek first his kingdom and his righteousness, and all these things will be given to you as well.*³⁴ *Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.*

There is a tendency for us to worry about things we can't change and to make life harder than it ought to be.

So it is good that Jesus said what He did and made it clear that to serve Him today and let tomorrow worry about itself is a good maxim for life.

Yes, we have to make plans but to worry about them and let that worry affect how we live today is clearly not what Jesus intends for us.

I suppose the theme ought to be to trust in God with all that we have and know that He will be with us through it all.

God bless you,
Peter
