Dear friends,

It has been a difficult start to 2014 for us at Aldermans Green with the loss of four of our members, Clarence (Buck) Butler, Elsa Taylor, Susan Seale and George Randle. All of these were gifted in their own way and brought blessings to our fellowship, therefore they will be missed. To follow that Lynne Porter's mum Rose Moulding also passed away. It seemed that was the end when news of Daphne Lee's passing came to us, so I want to encourage you to pray for all those who have lost loved ones recently.

I wonder what you want from 2014? I suspect that to have a year of peace and to be free of worry would be the desire of most of us but as you know we have no control over the future.

We can do something to help during the year and that is to pray and pray that God will bless us with the strength to face whatever it is that comes our way. Jesus told his disciples when they were waiting for him as He prayed in the garden of Gethsemane, "Watch and pray so that you will not fall into temptation. The spirit is willing but the flesh is weak." Matthew 26:41. In that Jesus made it clear he was aware that there is weakness in us all and we can be helped by prayer. In Ephesians 6:18 it says this:- "And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people."

The encouragement is to pray, talk to the one who can do something about it and receive what you need to get through.

By the time you read this we will be into the second month and more things will have happened that we will have prayed about, just make sure to include God in everything.

God delights in answering the prayers of his children!

As our heavenly Father, God loves to talk with his children and respond to our requests. "Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened."

Let's make this year a year of prayer and see the results!!!!

God bless you

Peter
