A Message from the Trustees

It's now been a year since we purchased our new Manse. You will remember the shortfall in funds after the sale of Silverdale of approx. £17,500. We are about to pay our first instalment of £2,100 plus £425 (an average of one week's Offertory in lieu of interest) off the loan received from the Wesleyan Reform Union. The repayment of the loan is a shared responsibility of us all and our plan is to repay it as soon as possible using the money from the Manse Fund which relies entirely on our donations. Please prayerfully consider giving to this fund using the envelopes in the vestibule. Thank you for your continued support.
